"Jambalaya is a gift, open to all people, a gift of an ancient tradition, a gift of stories and celebrations, a gift of Teish's own history and voice, the voice of a strong, knowledgeable, and wise black woman." -- Starhawk, author of "Truth or Dare"
"A book of startling remembrances, revelations, directives, and imperatives, filled with the mysticism, wisdom, and common sense of the African religion of the Mother. It should be read with the same open-minded love with which it was written." -- Alice Walker, author of "The Color Purple"
"Teish reveals a wealth of new visions and ancient wisdom from a cultural heritage unknown to most readers. To a style of writing that is friendly and relaxed, Teish adds the spice of her wonderful sense of humor. This is a book that sharpens the intuitive sense in each of us and encourages us to that inner knowledge." -- Merlin Stone, author of "When God Was a Woman"

A Must for Your Library

By [David Mahaffey](#) on April 25, 2017

Format: Paperback **Verified Purchase**

I'm sad there's not more discourse concerning this book floating around--this is a book you should add to your library. Here is a book where the personal is spiritual as well as political--Teish expertly combines her personal narratives of her journey into a spirituality that is both progressive and deeply rooted with a compendium of practical rituals. The worldviews and rituals here show a beautiful and seamless mixture of diverse African diasporic traditions--Lucumi, Vodoun, and hoodoo--with women's spirituality.

This is a must for anyone's book shelf--Luisah Teish is a major voice for women of color within the women's spirituality movement, and (as you'll know if you watched The Goddess Remembered) she did a lot of work to make this movement (which sprang from "second wave" feminism) intersectional. Jambalaya should also be included in any library of African diasporic spirituality--you're sure to find practical rituals for the contemporary American, usable by anyone. I would even recommend it as a book to give to a person exploring these forms of spirituality for the first time.
